

How can we help you make a greater impact?

One of the major pillars of our mission at Bergen Volunteers is to partner with the nonprofit sector across the broader Bergen County region, strengthening our community. We are committed to becoming a strategic partner to all nonprofits by helping each organization to fulfill its mission.

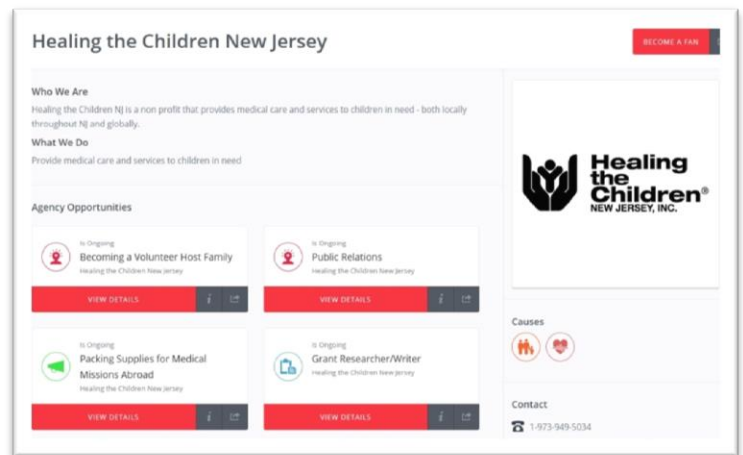

For this purpose, we have developed an array of services and benefits for our agency members. These offerings are aimed at helping you improve your effectiveness, thus allowing you to have greater impact on the community you serve.

EFFECTIVELY RECRUIT AND MANAGE VOLUNTEERS

- Access to a robust and highly accessible database (**Get Connected**) which maintains comprehensive data on agencies and their volunteer opportunities. Our database cross posts to the Volunteer NJ site. That means your opportunities are seen by potential volunteers all over New Jersey.

Member agencies are able to:

- List an unlimited number of volunteer opportunities
 - Manage their own landing page, add photos/videos, links to social media, and create an individualized web presence
 - Run reports of your volunteer hours and page views
 - One click contact to all volunteers and people who have viewed your listing
 - Include volunteer postings in Volunteer Center E-Newsletter and receive email blast support for urgent volunteer recruitment needs
- Matching service supported by Redefining Retirement. Redefining Retirement Liaisons will get to know your agency and skills-based volunteer needs, in addition to referring volunteers to your agency, Liaisons also pre-screen volunteers for you
 - Invitations to participate in school/college, corporate and volunteer fairs
 - Free one hour consultation on volunteer management
 - Quarterly Volunteer Managers' Roundtables to share best practices and problem solve with other volunteer management colleagues
 - Access to the Community Calendar; get the word out about your fundraising events, trainings, volunteer needs. With the amazing smart scheduling feature you can list event volunteer needs within our active, non-profit community

BUILD STRATEGIC RELATIONSHIPS WITH ORGANIZATIONS ACROSS NONPROFIT AND FOR-PROFIT SECTORS

- Semi-annual Executive Directors' Roundtables to discuss current issues impacting the local nonprofit sector, share best practices, and forge partnerships/collaborations
- Annual "speed dating" event between corporations (including Business Volunteer Council members) and nonprofit organizations
- Opportunity to host a corporate group for *All in a Day's Work*. Provide a volunteer experience for corporations that have employee volunteer programs. We will provide \$250 stipend to subsidize some of the costs of hosting the event

ACCESS TO EVENTS CALENDAR ON GET CONNECTED

- Post upcoming fundraising events on the calendar which allows for a wider audience to see your events, unlocks potential guests, sponsors, etc.
- Post upcoming dated volunteer needs. Our calendar gets over 10,000 views a month by potential volunteers

INCREASE MEDIA ACCESS AND VISIBILITY

- Blog postings on Bergen Volunteers site featuring a member agency (agency supplies the story/photos for the post)
- Likes/Shares/Postings for member agencies on Bergen Volunteer's Facebook / Twitter/Instagram

GAIN COST EFFICIENCY THROUGH SHARED SERVICES

- Special Event Tools Inventory: Database of special event items (e.g. screen/projector) that can be used for members to lend/borrow items for special events
- Having a meeting and need neutral space or a larger space than you currently have. Bergen Volunteers as a network of space. Let us know what you are looking for and we will direct you to the right location
